

Providing the Tools for Mastery

14/12/2021

Dear Parents/Carers,

Our last day of the Autumn Term is Friday, 17th December. The day will end at 12.30pm after our Christmas Breakfast and Student Awards.

We look forward to seeing your child on **Wednesday 5th January at 9.15am** for breakfast and the start of the new term.

You are invited to our all-important Families Day event accompanied by your child, where we will provide you with essential information about the new term. You will also have a chance to meet with teachers and support staff. Most importantly, you will have an opportunity to discuss and review your child's programme of study, progress and targets. We will be sending out academic reports on our first week back in January.

**Families Day:
Wednesday 12th January – by appointment**

New black sweatshirts will be available for purchase at a discounted price of £5 to help ensure your child wears the appropriate school uniform.

Unfortunately, the COVID-19 continues to be a threat to us all. Please may I strongly encourage you to test regularly, and that your child is tested using a lateral flow test before returning to school. We can also advise on where your child may obtain a COVID vaccination should you choose to do so.

As this term draws to close for the Christmas holidays, on behalf of all the staff at The Skills Hub, I want to thank you for trusting us with your child's education. We will continue to do all that we can to create a safe space for our students encouraging them to feel no longer 'excluded but included'.

I would like to take this opportunity to wish you and your loved ones a Merry Christmas and a Happy New Year!

Yours faithfully,

Paul Chambers
Principal
