21<sup>st</sup> April 2023

Dear Parent/Carer,

### **Program of study for year 11 students**

Please find enclosed a programme of study for year 11 students during the summer examination period beginning **Wednesday 3<sup>rd</sup> May 2023**.

Please read the enclosed programme of study and revision sessions offered for year 11 students in order to support and prepare them for their upcoming examinations. All students are expected to attend school for their regular timetable and revision sessions. The revision sessions are enclosed in this letter. For any school days that are not on the schedule, year 11 students are expected to follow their regular timetable. On the days students have an exam they will have the option to arrive for and leave after the scheduled exam. However, we will continue to promote the revision timetable put in place to support those students who remain onsite. We do encourage students to utilise the revision sessions scheduled in order to give them the best preparation for their examinations.

**All** students are expected to attend The Skills Hub on the days that examinations are not being held and follow their regular timetable.

Year 11 students officially finish on Friday 30<sup>th</sup> June 2023. A number of celebrations and activities will commence in due course which will be communicated to you in separate correspondence.

If you have any queries, please do not hesitate to contact your child's Skills Coach.

The Skills Hub wishes all year 11 students the very best of luck.

Yours sincerely,

Chiara Lane

Deputy Principal
